

1 MR. MANOUKIAN: No, and that's obviously  
2 referenced on any statements.

3 THE COURT: It is, of course.

4 MR. MOAWAD: Your Honor, I also brought up  
5 the issue in chambers, which is not part of my  
6 written motions, of a witness who I had previously  
7 turned over impeachment. This -- I frankly upon  
8 further reflection believe that was hearsay and ask  
9 that it be excluded, and I understand counsel  
10 stated he had no intention of going into it anyway,  
11 and that motion was granted.

12 One other thing I should say is not so many  
13 motions in limine, but I notice that -- and I do  
14 intend to play the 911 tape from the victim,  
15 Ms. Rhodes, in my opening. Something -- if there  
16 are any issues at some point prior to doing that,  
17 but right now --

18 THE COURT: Okay. I appreciate the  
19 notice.

20 Impeachment material as to the witness,  
21 remind me who the witness is.

22 MR. MOAWAD: Olga Gonzalez.

23 And the understanding was that there was a  
24 potential conviction. I don't think it is  
25 appropriate impeachment material, anyway, and I --  
26 especially if it's not hers.

27 THE COURT: Okay. Thank you.

28 Let's move on to the ~~defense motions~~ in
