2 Q. Now, Detective, I know that it was a

5 A. A little bit.

6 Q. There is a male voice who said that --  
7 that -- well, initially the male voice says do you  
8 recognize the person, did you recognize the person  
9 today. Originally comes up and says do you know  
10 Nathan Medina?

11 A. Yes.

12 Q. And then says did you recognize the  
13 person today.

14 Now, whose voice is that?

15 A. Mine.

16 Q. And then there appears to be another  
17 female voice that we are hearing who I think  
18 actually introduces, makes an introduction. Who is  
19 that?

20 A. That is Detective Tracie Reese.

21 Q. And then we hear the -- a male voice  
22 that says something that they showed me a picture  
23 of Nathan, the problem is I don't think --

24 Whose voice is that?

25 A. Sean Mendell.

26 Q. Okay. And then it's at this time where  
27 we hear you say that she, the mom, positively  
28 identified -- she said it was Nathan, right?
