

1 depiction of the substance of your interview that  
2 day?

3 A. Yes, sir.

4 Q. Now, at some point while you are  
5 discussing who the intruder was, Ms. Rhoads makes a  
6 comment that it had to be Mr. Median because they  
7 don't have any other enemies; is that correct.

8 Do you remember that?

9 A. I remember a statement like that,  
10 yes.

11 Q. And did you -- are you aware of any  
12 other incidents where the -- any one in the Rhoads'  
13 house was a victim of any other crimes,  
14 particularly vandalism?

15 A. Yes.

16 Q. And what was your -- what is your  
17 understanding?

18 A. Beverly Rhoads described to me an  
19 incident that had occurred, I want to say roughly  
20 six months prior to this, where a rock was thrown  
21 threw I think her car window or a house window,  
22 uhmm, and there was a police report made and that  
23 she suspected that the person who did that was  
24 Nathan Medina.

25 Q. And, in fact, she told you during the  
26 this interview, "I know it was Nathan Medina that  
27 did that", correct?

28 A. Yes.

1 Q. And she was just as certain of that as  
2 she was as certain that he was the intruder on this  
3 occasion, right?

4 A. Seemed to be, yes.

5 Q. And were you aware of any other  
6 vandalisms of any property there at the Rhoads'  
7 residence?

8 A. No.

9 Q. You weren't aware of any vandalism  
10 related to Mr. Mendell's property or vehicles?

11 A. From that same incident there was  
12 another car window that was broken or some damage  
13 like that.

14 Q. Separate incident.

15 And are you aware of any other separate  
16 incident other than that one?

17 A. No.

18 Q. Did you ever do any investigation into  
19 any suspect of those vandalisms or this incident  
20 who were unaware of the layout of Ms. Rhoads'  
21 house?

22 A. I apologize, could you repeat that?

23 Q. Certainly.

24 Let me ask this: You were aware that  
25 Mr. Medina worked at the Rhoads' house, correct?

26 A. Yes.

27 Q. And you were aware of the fact that he  
28 was aware of, say the layout of the laundry room,
