

1 hear people walking around in your house?

2 A. Yes, I have carpet on the floor, too,
3 so --

4 Q. When you heard the door open and close
5 when you were in the laundry then you went to go
6 see what was going on?

7 A. Yes.

8 Q. Did you hear any footsteps or anything
9 after you heard the door open and close?

10 A. No.

11 Q. And you had to walk a little ways
12 before you got around the corner of that hallway to
13 be able to see the person; is that right?

14 A. That's correct.

15 Q. And when you got there and got around
16 the corner what was the person doing at that time
17 when you first saw him?

18 A. Standing there with a spray bottle.

19 Q. Now, you are holding your left hand up
20 kind of near your cheek with your index finger?

21 A. Uh-huh.

22 Q. Pushing down?

23 A. Like this (indicating).

24 Q. Is that what they were doing when you
25 first saw them?

26 A. Well, they weren't spraying yet. They
27 were holding it and then after I got there they
28 started spraying.

1 Q. Okay. So by the time you got around
2 the corner the person's arm was up, though, in the
3 manner you showed?

4 A. That's correct.

5 Q. And it was your testimony that
6 immediately upon coming around that corner you
7 recognized the person?

8 A. That's correct.

9 Q. Do -- we talked the other day about
10 Mr. Mendell's vehicle was vandalized also prior to
11 this incident?

12 A. That's correct.

13 Q. And do you recall an incident where one
14 of the Latteri work trucks was also vandalized
15 during the construction?

16 A. No.

17 Q. Now, you testified earlier that you
18 were absolutely sure the person was not wearing
19 gloves, that's correct?

20 A. ~~Only in the laundry room they were not~~
21 ~~wearing gloves.~~ I did not testify about the other,
22 I wasn't sure, and I told the officer that at the
23 time.

24 Q. Certainly during the very brief
25 interaction you had with this person before you got
26 into the laundry room you didn't see them either
27 putting on or taking off gloves; is that correct?

28 A. That's correct.
